

When's the deadline?

We've been asked by a lot of people when the deadline is to make sure your brick gets into the new building. We'd love to receive all the orders by May 1, 2009. That will allow us time to plan the best way to lay out the bricks. We're still not sure whether the bricks will be on a wall or on the floor or around something in the lobby like a planter box. It really depends on the number of bricks we sell. We're at less than 200 right now and our goal is 1,000!!!

You have an opportunity to make a difference in health care in Darke County through this program. The proceeds from the brick sale will be used for scholarships for area residents to pursue advanced degrees in the medical field - whether that is nursing, nuclear medicine, physical therapy, or even medical school.

We're asking you to go ahead and place your order now so we can plan more effectively.

If you have questions, please don't hesitate to contact Ken Kurz, Executive Director of the Wayne Hospital Foundation, at 547-5959.

There are two other sizes available as well - an 8x8 brick for \$250 and a 12x24 brick for \$1,000. Both of those bricks are made of Adair stone - a stone that resembles marble.

Wayne Hospital Company Brick Order Form

Be a part of history at Wayne Hospital. You can purchase a name brick to be placed in the new hospital for just \$100. Complete this form and return it to the Wayne Hospital Foundation with your check. This is a limited time offer, with completion of the new Emergency Department and Hospital lobby slated for sometime in 2010.

Print what is to be engraved. Please leave a space as needed.

(Maximum 14 spaces per line)

Cost is \$100 per brick - no limit on the number of bricks ordered.

Purchaser's name: _____

Address: _____

City: _____ State: _____ Zip: _____
